Dear Kearny County community member,

In the fall of 2013, the Kearny County Hospital (KCH) board of directors, administration and medical staff made a long-term, strategic commitment to transparent communication with you. This summer marks our 21st consecutive series of quarterly town hall meetings. Through these collaborative meetings, we seek your perspective and communicate honest information related to KCH.

This brochure, which we call a Fast Facts sheet, is the third of our regular quarterly reports for 2018. It is intended to inform you of the value of your investment in the hospital and foster more questions, which may be answered at our quarterly town hall meetings. Our meetings this quarter are scheduled for:

Wednesday, August 8 – 12:45 p.m. at the Kearny County Senior Center  
in Lakin

Monday, August 13 – 6:00 p.m. at Chachi's Place in Deerfield

Tuesday, August 14 – 6:00 p.m. at the Kearny County Hospital Classroom  
in Lakin

This quarter's Fast Facts sheet provides information about how KCH has grown over the past five years. It also shows the locations our patients travel from and the services KCH provides to the community.

If you have any specific questions related to this information or our healthcare delivery system, please email them to me at [banderson@kearnycountyhospital.com](mailto:banderson@kearnycountyhospital.com) and I'll do my best to come prepared to answer them.

Our team appreciates the opportunity to serve you: our family, friends and neighbors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ben Anderson', with a stylized flourish at the end.
