memory care in
Lakin, KS

High Plains Retirement Village at Kearny County Hospital

High Plains Retirement Village is a welcoming, home-like community that provides a full range of professional nursing services for assisted living and long-term care, as well as memory care. Our mission is to provide quality, compassionate healthcare services for our community to enrich the lives of our families, friends and neighbors.

Assisted Living

For people who enjoy being active but may need some additional support with routine tasks, we offer our assisted living services. Residents receive support as needed in their own apartment while having access to whatever activities and amenities they find interesting. We are here to encourage independence and choice in a caring, comfortable environment. Our assisted living residents may choose from studio, one-bedroom

or two-bedroom private apartments on South East Country Lane or North Circle Lane, the cozy halls in the assisted living wing. Ranging from 355 to 900 square feet, our apartments offer the following features:

- ✓ Secure entrance, accessed internally
- ✓ Emergency call system
- ✓ Mobility equipment accommodated
- ✓ Fully equipped kitchens and kitchenettes
- ✓ Handicap-accessible bathrooms and appliances
- ✓ Individual thermostats for personal comfort

Long-Term Care

Our long-term care services, found in the Cherry Creek wing, provide a higher level of personalized assistance with activities of daily living, with additional staff and support. We offer specialized, individual care to enhance quality of life, with activities based on the residents' interests, cognition and physical abilities. In addition, we prioritize open and consistent one-on-one

communication with residents and their families.

Long-term care residents may have a private or semi-private room, depending on preference and availability. Our assisted living and long-term care amenities include the following:

- ✔ Well-balanced meals designed by a registered dietitian
- ✔ Welcoming dining areas, community living room and library
- ✔ Common areas available 24/7 for family gatherings
- ✔ Raised garden beds
- ✔ In-house beauty services
- ✔ Sunday religious/spiritual activities
- ✔ Attached screened-in porch (assisted living) or outdoor patio (long-term care)

Memory Care

Caring for someone with Alzheimer's disease or dementia requires patience, expertise and customized treatment. Specialized staff in Willow Creek, the dementia unit at High Plains, provides personal care that enhances the quality of life for each community member by maximizing their individual level of functionality and minimizing frustration. Our memory care staff undergoes training and continuing education every three months to stay updated on best practices and providing outstanding dementia-capable care.

Our memory care unit, with secured doorways and alarms, provides a safe environment for community members while allowing them to
